

ALWAYS PATSY

Robin Young has been playing guitar and singing classic Country Western hits since she was a teenager.

Her voice is almost a perfect match for the amazing, ill-fated country singer Patsy Cline. She conceived the tribute act several years ago after performing in a well received play that featured several 1950's singers.

Robin has performed at fundraisers across Southern California and at many intimate venues. Her sexy contralto voice channels the sound of the famous singer, while her carefully researched vintage clothing and makeup convey the essence of the well loved Grand Ole Opry star.

Always Patsy is Robin's gift to Patsy Cline fans everywhere, a nostalgic journey back to a simpler time, a smoky road house and a stage haunted by a woman singing her songs of lost love and broken dreams.

Take a journey back to an era of black and white television, Rock 'n' Roll, Elvis, and classic country songs of the 1950's and 60's.
