

# ALWAYS PATSY

Robin Young has been singing classic country songs since she was a teenager.

Her voice is a perfect match for the amazing, ill-fated country singer Patsy Cline. Robin conceived the tribute act after performing in a community theater comedy as the character "Patsy Fine".

Since then, Robin has been performing at fundraisers across Southern California and at many venues including five nights at the Broadway Vista Theater in her one woman show "Divas of Country".

Her sexy contralto voice channels the sound of the famous singer, while her carefully researched vintage clothing and makeup convey the essence of the well loved Grand Ole Opry star.

Always Patsy is Robin's gift to Patsy Cline fans everywhere, a nostalgic journey back to a simpler era with a smoky road house and a stage haunted by a woman singing her songs of lost love and broken dreams.
